No. 87

22nd December 2008

Anco organise *Orego-Stim*[®] workshop and Daniel Palcu presents

On the 22nd November Anco co-ordinated with Meriden to hold a workshop about using *Orego-Stim*[®] (www.orego-stim.com) in Aquaculture. The workshop was held in Anco Vinh Long and was presented by Mr Daniel Palcu from Meriden Animal Health Limited (www.meriden-ah.com) and Associate professor, PhD Le Thanh Hung – Dean of faculty of Aquaculture of HCMC Agriculture and Forestry University.

Daniel Palcu

Attendees

Daniel successfully presented the benefits of *Orego-Stim*[®] to a very receptive seminar group which consisted of Anco's employees and customers.

Using *Orego-Stim*[®] in the feed will benefit **shrimp and fin fish** production by:

- Boosting immunity against pathogens
- Maximising intestinal health
- Increasing survivability rates
- Improving growth rates and feed conversion ratio
- Utilising feed more efficiently
- Reducing mortality

For more information please e-mail Meriden Animal Health Limited at sales@meriden-ah.com or Anco (Agro Nutrition) at ancofeed@anco.com.vn or binh.pc@anco.com.vn
